

League of Women Voters Oakland Area

Annual Meeting Saturday, May 19, 2018

Farina's Banquet Center
2485 Coolidge Highway, Berkley, MI 48072

Speaker: Carl Levin

The League of Women Voters Oakland Area is pleased to present Carl Levin as the speaker at our annual meeting. Senator Levin, the longest serving U.S. Senator in Michigan history, is a life-long supporter of Michigan, its communities, and its businesses. He helped the auto and auto parts industries survive and thrive and led the way to partnering between the commercial and military vehicle sectors. He was instrumental in obtaining federal funding for the development of Detroit's riverfront and the M1-Rail system, as well as Focus: HOPE's Machinist Training Institute and Center for Advanced Technologies. He also is devoted to the protection of the Great Lakes as vital to the health and prosperity of Michigan. He led the effort to establish and expand national parks, lakeshores, wilderness areas, trails, and the Thunder Bay Marine Sanctuary.

Wayne State University created the Levin Center at Wayne Law, named in honor of Senator Levin. Through academic programming, training, and scholarship, the Center will help equip lawyers, legislators, and leaders with an understanding of how effective legislative oversight can lead to significant and meaningful changes in public policy and institutional behavior. The Senator serves as chair of the Levin Center and as Distinguished Legislator in Residence at Wayne Law.

LWVOA Joins Statewide Election Reform Effort

On March 3, 2018 LWVOA hosted a kickoff party for Promote the Vote, a campaign to place on the November ballot a constitutional amendment to provide comprehensive election reform for Michigan. Citing the need for an accessible and secure ballot for all, a coalition which includes the League of Women Voters, the ACLU of Michigan and the state and Detroit branches of the NAACP filed ballot language in January with the Secretary of State's office.

In addition to no-reason absentee ballots, the amendment would give military members more time to vote; let citizens register closer to Election Day; allow straight party voting, automatically register citizens when they do business at the Secretary of State's office, protect a secret ballot and add audits for election results. "We're all better off when more Americans---Republicans, Democrats and independents---participate in our democracy," said Judy Karandjeff, president of the League of Women Voters of Michigan. "Providing a system that works for all isn't hard; it just common sense."

This effort needs you! 400,000 signatures are needed by June 30. It's not too late for you to take petitions and get signatures. Petitions will be available at the annual meeting for you to sign and for you to take with you and ask others to sign. "This petition drive speaks directly to the core mission on which the League of Women Voters was founded nearly a century ago," said Geri Rinschler, LWVOA President.

League Works to End Gerrymandering in Michigan

The League of Women Voters of Michigan supports the ballot proposal initiated by Voters Not Politicians (VNP), that calls for an Independent Commission to establish district lines. On December 18, 2017, VNP submitted the requisite number of petition signatures to the Secretary of State's office. We congratulate VNP on its successful efforts.

On December 22, 2017, The League of Women Voters of Michigan and 11 individual voters filed a lawsuit against the State of Michigan in federal court in Detroit to end unfair, partisan gerrymandering of Michigan's Congressional, state senate and state house districts.

You can help by talking to your friends, family, and neighbors about the proposal that will likely be on the November ballot and urging them to vote YES. You can also connect our Redistricting presenters, Ann Megalizzi, Jim Treharne, and Kath Maisner with groups that are interested in learning more.
